President's Update

Polio Plus Spaghetti Dinner:

We made close to \$500 on the dinner at the home of Carola and Jim. Thanks to Jim and Carola for a very fun evening.

Books for Africa:

The GSE team is raising money to buy math books for a school in Uganda. A 5th grade class earned \$747 in a car wash, so we gave a check in matching funds.

The check was delivered to the AIDS orphans school. That was a project from last year were the Club sold jewelry, etc. made by those affected.

Escondido Police Department/Marines Football Game:

It appears that the game is now out of our hands.

Drain painting:

Nancy White and the students from Seattle who helped paint the drains in base housing, will be sending a check to us from money they had left over from the trip.

3rd LAAD Family Day:

We are invited to attend on June 26th. They have requested an advancement on next year's money allotment to buy 250 pounds of chicken for the event.

Microcredit:

Linda has put in a request for a speaker for one of our meetings.

Swords:

Jim will order 15 swords for the year.
